Fundraising Goal: ₪7,000.00

Duration: 07 Oct 2021 to 01 Mar 2022

### About this campaign:

We have felt a calling to travel and do missions work ever since we got married in 2018. We inquired about missions work with World Medical Mission, and then we waited and prayed for an opportunity to come that would require our medical skills. In summer 2021, we were told there was a need for an optometrist and an operating room nurse at the Galmi Mission’s Hospital in Galmi, Niger. We will be leaving on January 11, 2022 and returning on February 16, 2022.

Alisha will be serving in the operating room and assisting with various general, orthopaedic, maternity, and trauma surgeries. Hudson will be running an eye clinic that will serve local people and hospital staff who are needing eye care.

Please keep us both in your prayers over the next few months. We pray that God can use us to help those in need, and that this experience impacts us and challenges us.

The Samaritan's Purse - Canada is audited annually by an independent accounting firm, and our financial statements are available upon request. Our Board of Directors has established the policy that all contributions designated for a specified project shall be applied to that project, with up to 10 per cent to be used if needed for administering the gifts. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us so that Christ is lifted up and the Gospel is advanced.
