About this campaign:
"Won't somebody please think of the children?"
-Helen Lovejoy

The goal is to raise enough over the next few years to cover the cost of a water filter and latrines for a school. I will be asking that any Christmas/birthday gifts go towards this until the goal is reached.

The reason is pretty simple: there's no reason anyone should be getting sick or dying due to a lack of clean water.

I am raising money for
Water Projects

Save the life of a child or adult in a developing country by providing clean water along with health and hygiene education that will safeguard them from deadly, but preventable, diseases. Simple and effective water filters, community wells and water storage solutions, and sanitation facilities can all drastically improve lives and open doors to share the eternal hope of Jesus Christ.
