The Samaritan's Purse - Canada is audited annually by an independent accounting firm, and our financial statements are available upon request. Our Board of Directors has established the policy that all contributions designated for a specified project shall be applied to that project, with up to 10 per cent to be used if needed for administering the gifts. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us so that Christ is lifted up and the Gospel is advanced.

The Samaritan's Purse - Canada (SPC) retains your personal information as confidential.
