Campaign: Food and Nutritional Security Assistance for Old Town San Remigio Seniors during COVID-19

<https://sponsorme.samaritanpurse.ca/FoodandNutritionalSecurityAssistanceforOldTownSanRemigio>

Fundraising Goal: ₱3,250.00

Duration: 29 May 2020 to 30 Jun 2020

About this campaign:

Dear family and friends,

The whole world is facing challenges because of the COVID-19 pandemic. In places close to our heart, such as Old Town San Remigio, many senior citizens are suffering. Because of the quarantine lock down, seniors are not allowed to leave their homes to help in the farm nor sell produce to earn their normal income. We believe we can help the Philippines in this time by supporting Samaritan's Purse Canada and their efforts to help the needy, like those in Old Town San Remigio. We are hoping that family and friends who are working can donate \$50 to \$100 each online. All donations are tax deductible through Samaritan's Purse Canada. Thank you from Auntie Luz and family. God Bless you!

The Samaritan's Purse - Canada is audited annually by an independent accounting firm, and our financial statements are available upon request. Our Board of Directors has established the policy that all contributions designated for a specified project shall be applied to that project, with up to 10 per cent to be used if needed for administering the gifts. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us so that Christ is lifted up and the Gospel is advanced.

The Samaritan's Purse - Canada (SPC) retains your personal information as confidential. The information you provide will be used to inform you of our programs and projects, to help and encourage you spiritually, and to provide you with opportunities to support our work. Please contact SPC at 1.800.663.6500 or email info@samaritan.ca if you do not want your information to be used for the purposes described.
