Fundraising Goal: ₪3,000.00

Duration: 29 Mar 2021 to 30 Nov 2021

About this campaign:

Clean water is something a lot of children do not have in the Third World countries. Without it, diseases are spread and treatment is not always available. Let's help these children live a healthier, longer life. Please give to this worthy cause. Any amount no matter of it's size is greatly appreciated. Every cent will go to help these children have clean drinking water. Thank you for your kindness.

I am raising money for
Water Projects

Save the life of a child or adult in a developing country by providing clean water along with health and hygiene education that will safeguard them from deadly, but preventable, diseases. Simple and effective water filters, community wells and water storage solutions, and sanitation facilities can all drastically improve lives and open doors to share the eternal hope of Jesus Christ.
