Fundraising Goal: \approx 10,000.00

Duration: 12 Sep 2022 to 12 Dec 2022

About this campaign:

We want to help make an impact on communities around the world by helping raise awareness and money for a clean water project. Everyone needs clean water. In Canada, we can take clean water for granted. We will be working for the next three months to try and raise \$10,000 for a water filtration project. Will you consider helping us? Thank you!

I am raising money for
Water Projects

Save the life of a child or adult in a developing country by providing clean water along with health and hygiene education that will safeguard them from deadly, but preventable, diseases. Simple and effective water filters, community wells and water storage solutions, and sanitation facilities can all drastically improve lives and open doors to share the eternal hope of Jesus Christ.
