Campaign: Legacy

Fundraising Goal: ~40,000.00
Duration: 28 Nov 2022 to 28 Nov 2023

About this campaign:

Unsanitized water affects the health of millions of people in the world. This unsafe condition also increases crime and human trafficking in the underdeveloped regions. Education is affected which continues the cycle of poverty and loss.

We want to make a difference by building wells which will provide safe drinking and bathing water for those in need.

For the first 2000 donations of \$25.00 or more given to this cause on my Samaritans purse fund-raising page, I will send you a copy of my CD Legacy.

Contact Milt at mcarr@carrassociates.ca to request your CD gift. (Please do not contact Samaritans Purse to request your CD gift, the CD gift will come from Milt Carr.

I am raising money for
Water Projects

Save the life of a child or adult in a developing country by providing clean water along with health and hygiene education that will safeguard them from deadly, but preventable, diseases. Simple and effective water filters, community wells and water storage solutions, and sanitation facilities can all drastically improve lives and open doors to share the eternal hope of Jesus Christ.
