About this campaign:

Please prayerfully consider supporting me as I look to serve in Laos!

I am very excited to be travelling to the Southeastern Asian country of Laos on a unique project in March 2020. Samaritan's Purse has been working with a local organization in Laos for more than 20 years to assist with a livelihood development program which provides training and economic opportunities for Laotians living in rural areas. The project is focused on sericulture - the rearing of silkworms to produce silk. We will stay on site at the silk farm and help with set-up and activities for a special four-day silk festival. Ministry activities may include children's programming, teaching English, leading devotions/encouragement to staff and students, clean-up/site improvement projects, and health and hygiene training. Our focus will be to provide practical assistance while sharing the hope and love of Jesus Christ.

The Samaritan's Purse - Canada is audited annually by an independent accounting firm, and our financial statements are available upon request. Our Board of Directors has established the policy that all contributions designated for a specified project shall be applied to that project, with up to 10 per cent to be used if needed for administering the gifts. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us so that Christ is lifted up and the Gospel is advanced.

The Samaritan's Purse - Canada (SPC) retains your personal information as confidential. The information you provide will be used to inform you of our programs and projects, to help and encourage you spiritually, and to provide you with opportunities to support our work. Please contact SPC at 1.800.663.6500 or email info@samaritan.ca if you do not want your information to be used for the purposes described.
