About this campaign:

HOLA Friends & Family!

I am thrilled to share a dream come true in less than 90 days! It has been on my heart forever to go on a missions trip that is making a positive, lasting impact for those less fortunate. I am going to El Salvador to install BioSand Water Filtration Systems & to deliver Christmas Shoe Boxes to kids! My heart may burst!

Many of you know how much I value & promote health & well-being, physically, spiritually & mentally. Water is vital to health, as our bodies are 70% water! El Salvadors' water is contaminated causing people, especially kids, to become very sick, if not fatal, requiring medical treatment while being away from school/work until they are well. This costly cycle continues until clean water is made available. I invite you to help me turn the taps ON for clean water, healthier futures & God's blessings!

Gift ideas: \$25=clean H2O for 1 child
 \$150=clean water for a family
 (Goal \$3200)

Thank you so very much for your investments & encouragements. xo~Amber

The Samaritan's Purse - Canada is audited annually by an independent accounting firm, and our financial statements are available upon request. Our Board of Directors has established the policy that all contributions designated for a specified project shall be applied to that project, with up to 10 per cent to be used if needed for administering the gifts. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us so that Christ is lifted up and the Gospel is advanced.

The Samaritan's Purse - Canada (SPC) retains your personal information as confidential. The information you provide will be used to inform you of our programs and projects, to help and encourage you spiritually, and to provide you with opportunities to support our work. Please contact SPC at 1.800.663.6500 or email info@samaritan.ca if you do not want your information to be used for the purposes described.
