About this campaign:

Dr. Ava Butler is a Canadian family and emergency doctor with a diploma in tropical medicine. She and her family (husband, Jesse, and daughter, Lilah) will be in Addis Ababa in the Spring of 2018 to teach the internal medicine unit to the third year medical students at Myungsung Medical College. She will be supervising daily inpatient rounds, preparing daily teaching rounds and evaluating the students. She is passionate about teaching and looking forward to shaping the foundations of these Ethiopian medical students' knowledge. She is an advocate for marginalized populations, which her students will learn in order to serve the people of rural Ethiopia once they graduate. Thank you for partnering with Dr. Butler and her family as they help to train the next generation of doctors for Ethiopia to be compassionate, competent and Christ-like physicians.

The Samaritan's Purse - Canada is audited annually by an independent accounting firm, and our financial statements are available upon request. Our Board of Directors has established the policy that all contributions designated for a specified project shall be applied to that project, with up to 10 per cent to be used if needed for administering the gifts. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us so that Christ is lifted up and the Gospel is advanced.

The Samaritan's Purse - Canada (SPC) retains your personal information as confidential.
