

### About this campaign:

Help me help out some Toledo Cebu people who have lost everything because of the recent typhoon that destroyed large areas of Philippines. I understand many people lost their homes especially the ones within the shanty villages all over the Philippines. They have no food now no water no home I want us to do our little part as we all know how hard it must be to survive after a disaster.

These people are the ones that been ignored as they quietly suffer because they already are used to having to struggle to find shelter and food everyday.

I know of many families in need, one example is a lady with 5 children and the husband abandoned them, wants to find work but has no teeth and nobody will hire her. Lost her shanty home, we gave her some donations to start over she build another tiny shack so they could stay out of the hot sun and rain at least, but know has lost everything again since this typhoon.

The Samaritan's Purse - Canada is audited annually by an independent accounting firm, and our financial statements are available upon request. Our Board of Directors has established the policy that all contributions designated for a specified project shall be applied to that project, with up to 10 per cent to be used if needed for administering the gifts. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us so that Christ is lifted up and the Gospel is advanced.
