About this campaign:

I am thrilled to be going to El Salvador with Samaritans purse this year! Together my team from Experience Church will be helping to provide safe water through installing BioSand Filters. I am excited to be part of such an amazing project that seeks to empower the community in life-saving sanitation and hygiene practices.

What I am personally looking forward to is how this project opens up the opportunity to share about Jesus with the local community!

Our team will also be helping to bring some joy to to the children within these communities by giving the gift-filled shoeboxes from Operation Christmas Child. I would appreciate prayer that the kids that we interact with on this mission will encounter God's unconditional love.

Thank you for your support and prayers!

The Samaritan's Purse - Canada is audited annually by an independent accounting firm, and our financial statements are available upon request. Our Board of Directors has established the policy that all contributions designated for a specified project shall be applied to that project, with up to 10 per cent to be used if needed for administering the gifts. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us so that Christ is lifted up and the Gospel is advanced.
