About this campaign:

Poverty is the principal cause of hunger. Approximately 842 million people suffer from hunger worldwide. That's almost 12 percent of the world's population of 7.1 billion people.

This Campaign is looking to make even the slightest change in helping those across the world. "Nickels and Dimes" is a project set up to aid the less fortunate. Even by putting aside a little amount that can be donated to this benefit can make a change.
