Fundraising Goal: ₹300.00
Duration: 06 Nov 2018 to 05 Dec 2023

About this campaign:

Did you know that about 660 million people around the world don't have access to safe water? More than 800,000 of them die each year from diarrheal diseases caused by dirty water and poor sanitation and hygiene—most are children.

In my opinion, that's tragic. Just think of all the ways we use clean water and don't give it a second thought: for drinking, cooking, cleaning—even watering the lawn!

Help me raise money for Samaritan's Purse water projects to provide safe and clean drinking water for families who do not have access to it.

I am raising money for
Water Projects

Save the life of a child or adult in a developing country by providing clean water along with health and hygiene education that will safeguard them from deadly, but preventable, diseases. Simple and effective water filters, community wells and water storage solutions, and sanitation facilities can all drastically improve lives and open doors to share the eternal hope of Jesus Christ.
